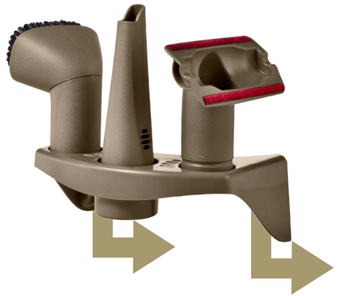
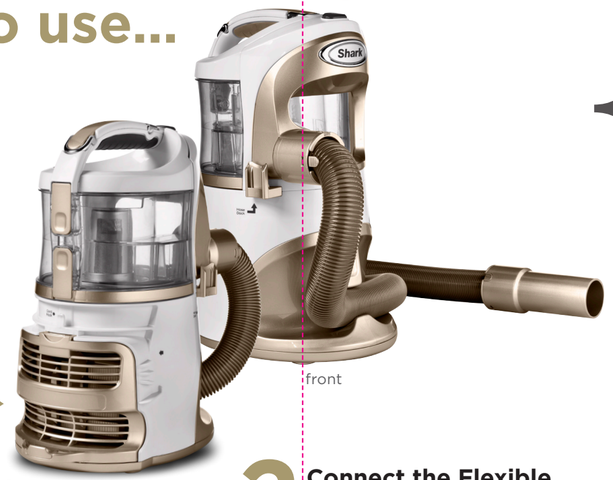
Did you know?

Shark® vacuums come with washable filters unlike other vacuums that are costly to maintain.

The Lift-Around™ is so easy to use...



1 Secure the Removable Tool Caddy



back

front

2 Connect the Flexible Hose to the Lift-Around™

3 Attach any of the Specialized Cleaning Tools included

Floor Kit Handle
Connects directly to telescopic tube

Straight Suction Nozzle
powerful cleaning on bare floor and low-pile carpets
Connects directly to telescopic tube

Power Brush
great for cleaning upholstery, stairs, pet hair and even auto interiors

Upholstery Brush
for fast and easy removal of pet hair

Dusting Brush
for dusting household items

Crevice Tool
for reaching into tight areas

Now, get ready for floor to ceiling clean!

- Never Loses Suction - Keeps vacuuming power strong from start to finish
- Lightweight and Portable - Goes everywhere your upright can't
- Extra Long Reach - Floor to ceiling and everything in-between
- Huge Suction – As powerful as a full size upright
- Customization of your Tool Selection
- Anti-Allergen Complete Seal

Did you know?

According to the American Lung Association, even low levels of particle pollution can cause coughing and wheezing and put children, teens and seniors at risk for things like asthma. Only a completely sealed system like the Shark® Lift-Around™ prevents dust and allergens from escaping back into the air.

ANTI-ALLERGEN COMPLETE SEAL TECHNOLOGY™
